## 2024 New Zealand Rowing Championships

---

### Presentation of Medals and Trophies

The presentation ceremony is an integral part of the regatta. It has considerable impact on all those viewing the proceedings and all medal recipients are expected to attend and take part in these ceremonies.

Gold, Silver and Bronze medals will be presented to the first, second and third placed crews in the finals race for each event. A medal will be presented to the coach of the medal winning crews.

### Sir Bernard Freyberg Cup

- Men's Premier 1x

The cup was won by the New Zealand Army rowing team at a regatta organised between the Maadi Camp Rowing Club and an Egyptian representative team in July 1941 after World War II campaigns in Greece and Crete. The cup was donated by Major-General Freyberg with the proviso that it be won twice in succession or three times at intervals before becoming the property of the winners. New Zealand achieved this with successive wins in the eight and four and were immediately challenged by the Cairo River Club who were the Egyptian eight-oared champions. The New Zealand eight won this race again by three lengths and thus the cup became the property of the Maadi Camp Rowing Club. When about to be invalided home from the desert later that year the Club's Captain, "Rubber" Fearon, is reputed to have asked General Freyberg what he should do with the cup and was told to bring it back to New Zealand and present it to the NZRA, which he did in December 1941. At its Annual Meeting in 1950 the New Zealand Association allocated this cup to the Champion Single Sculls. Sir Bernard Freyberg was then Governor-General of New Zealand and in his youth in Wellington had been a member of the Star Boating Club.

### James R Hill Trophy - Men's Premier 1x

This trophy was donated by Sir Don Rowlands in 2009. The first winner of the trophy was Waitemata BC, R B Smith 1934. This historical trophy was formerly awarded to winner handicap single sculls at Hamilton Club Regatta on the Waikato River, Hamilton. Presented by A & K Halliday 1933.

### A W Newton Memorial Cup - Men's Premier 2-

This trophy was made from several cups won by Alex Newton during his active rowing years with the Star Boating Club in the late 1800's. With his partner, W E Bendall, they won the Champion Pairs in 1892.

## W A Stevenson Trophy – Men's Premier 2x

Sir William Stevenson was an outstanding sculler winning both the single and doubles titles in the 1920's for the Auckland and Waitemata Rowing Clubs. He was a notable benefactor to rowing in New Zealand particularly at Lake Karapiro. He was also a New Zealand selector, rowing team manager, Olympic Team Chef de Mission, and the first Vice-Patron of the NZRA holding this position from 1965 until his death in 1983.

## J M Dempster Cup – Men's Premier 2x

This cup was presented for a special invitation four oar race between New Zealand and New South Wales crews in 1925 which was won unexpectedly by the New Zealand No. 2 crew. This cup was allocated to the Champion Double Sculls by the 1950 Annual Meeting after 25 years in storage.

## Boss Rooster – Men's Premier 4-

This trophy does not belong to the NZRA but is held in custody by the champion club for the event until the next event is held. It does not therefore form part of the official record of trophies but it is recorded here as it is the oldest and most treasured of all the trophies contested at the New Zealand Championships.

This trophy originated in 1897 when the New Zealand Championship Regatta was held on Picton Harbour. In those days the coxed fours event was the major race on the programme and in that year two clubs from Otago - the Port Chalmers Rowing Club and the Queens Drive Rowing Club - were fierce rivals. Queens Drive were the champions for the previous two years. However their rowers had retired and they were defending the Championship with a new crew which had been defeated by Port Chalmers just weeks before the Championships.

Also in Picton Harbour was the old East Indian vessel “Edwin Fox” which had recently been towed there from Port Chalmers. Among the crew were supporters of both the Port Chalmers Club and others of Queens Drive Club. An intense rivalry developed between the two factions, and many arguments arose as regatta day drew near between Bob Cashman and his faction supporting Port Chalmers and Jack Welsh and his group supporting Queens Drive.

Bob Cashman then had a brilliant idea. Out of a sheet of tin he cut the shape of a rooster and painted it in Port Chalmers colours of pale blue with a white star in the centre and then carefully hid the rooster with the intention that it would be presented to his fellow club men after they had triumphed over their local rivals.

When the race was over and Queens Drive had once again won the four-oared Championship the men from the “Edwin Fox” returned to their ship to find the rooster had been nailed to the mast with a bright red daub of paint in the centre of the star. Red white and blue were, of course, the colours of the Queens Drive Club.

Being true sportsmen the Port Chalmers men, with much ceremony, retrieved the rooster from the mast and handed it over to the Queens Drive crew with the mutual agreement that whoever was “Cock O’ the Walk’ should hold the bird.

Ever since that day the “Boss Rooster” as it quickly became known, has been the symbol of four-oared supremacy in New Zealand. It is held by the champion club, not the crew, and for many years was fixed to the top of the holder’s flagpole. Another tradition is that on changing hands the new champions must repaint the rooster in their own club colours within an hour of the race or forfeit a keg of beer to the losers.

## Robert Cashman Trophy - Men's Premier 4-

This trophy was presented to the NZRA at the time of the centenary of the Boss Rooster race by the family of Robert Cashman who is credited with the idea and the making of the original Boss Rooster in 1897.

---

## Rolf Porter Memorial Trophy - Men's Premier 4-

This trophy is a model of a coxless four in silver set into a greenstone base. In 1966 Mr Rolf Porter, a Redcoat in the 1933 Auckland RC's Champion Coxed Four, was instrumental in funding and coaching the first New Zealand eight to attend a FISA World Championship held at Bled, Slovenia, where the crew finished sixth.

---

## West End Trophy - Men's Premier 4x

This trophy was presented to the NZRA by the West End Rowing Club to commemorate the club's centenary in 1984.

---

## Rub's Rooster - Men's Premier 8+

This trophy is a silver plated replica of the Boss Rooster and was presented by CG "Rubber" Fearon in 1939 for the Champion Eights. It is mounted on an octagonal base of figured woods. "Rubber" Fearon was a longtime member of the Waitemata Boating Club and was captain and coach of the Maadi Camp Rowing Club formed in Egypt in 1940 during the 1939-1945 World War.

---

## The Sun Cup - Men's Premier 8+

The cup was presented as a special trophy for the 1925 New South Wales eight oared Championship and the New Zealand crew were the winners.

The event was a significant milestone for rowing in both New South Wales and New Zealand. It was the first occasion on which an international eight oared crew had raced in Australia, and New Zealand was represented by its first national eight oared crew. At the specific request of New South Wales, influenced by the reputation of the 1924 "Invincible" All Blacks, the crew wore black and the silver fern - the first New Zealand crew to do so.

Between 1934-1937 the cup, whilst in the custody of the NZRA, was nominally used as the trophy for the North Island - South Island Interprovincial eights. At the annual meeting in 1950 the trophy was allocated to the Champion Eights.

## Alan Boykett Memorial Trophy - Men's Premier 8+

Alan Boykett, in a brief but distinguished career, coxed the Wellington Rowing Club's eight to victory in the Mens Championship Eights in 1967, and later that year, the New Zealand eight who won the FISA 1st North American Championships followed by the United States eight and four oared Championship titles. The Alan Boykett Memorial Trophy is presented to the coxswain of the Champion Eight. Alan Boykett tragically drowned on the Wellington Harbour in 1968 while coaching a Victoria University crew training for the University Easter Tournament. The trophy takes the form of a carving in wood of a seated coxswain.

---

## Cato Cup - Women's Premier 1x

This trophy was originally presented to the New Zealand Women's Rowing Association by Miss Elizabeth Cato who was currently competing in womens rowing events. Following the incorporation of the Women's Association into the NZRA in 1976, the event became the New Zealand Champion Women's Single Sculls.

---

## Stephanie Foster Trophy - Women's Premier 1x

This trophy takes the form of a carved wooden boat forming a base for a gold and greenstone bracelet and commemorates the long career of Stephanie Foster both nationally and internationally. Stephanie won the single sculls title for nine consecutive years from 1978 to 1986 and was our first woman rower/sculler to contest a FISA World Championship final in the single sculls. She also won gold medals for the single and double sculls events at the Commonwealth Games in Edinburgh in 1986.

---

## Patterson Cup - Women's Premier 2-

This trophy was originally presented to the New Zealand Women's Rowing Association by Mr John Patterson who coached the Canterbury University women's crew to win the first women's four-oared race in the modern era at the University Tournament in Wellington in 1956. After transferring to Auckland a short time later he began a long and successful coaching career with the Auckland University Rowing Club. Following the incorporation of the Women's Association into the NZRA the event became the New Zealand Champion Women's Coxless Pairs in 1976.

---

## C H Hilliard Cup - Women's Premier 2x

This trophy was originally presented to the New Zealand Women's Rowing Association by Mr Cyril Hilliard, a long time administrator for the Auckland Rowing Association and a strong supporter of women's rowing. Following the incorporation of the Women's Association into the NZRA in 1976 the event became the New Zealand Champion Women's Double Sculls.

### **Skelton Cup** - Women's Premier 4-

This trophy was originally presented to the New Zealand Women's Rowing Association by the first president of this Association, Lynette Skelton. The event was then known as the New Zealand Ladies Fours and was a coxed four event and not a New Zealand Championship as it is now known. Following the incorporation of the Women's Association into the NZRA in 1976 the event became the New Zealand Champion Women's Four, a coxed event, before becoming a coxless event in 1991.

---

### **Milne Cup** - Women's Premier 4x

This trophy was presented to the New Zealand Rowing Association in 2000 by Lesley Milne (Keys) who for many years was a successful women's rower and then coach, regatta official and local administrator. During this time she also served on the New Zealand Rowing Council and is a past President of the New Zealand Rowing Association. Lesley was an active participant in bringing about the merger of the New Zealand Women's Rowing Association into the national body, thus paving the way for New Zealand Women's crews to compete on the International stage.

---

### **Max Smith Ruataniwha Trophy** - Women's Premier 8+ (unable to be located)

The late Mr Max Smith was the Chief Engineer of the Waitaki Valley Power Schemes. Smith was instrumental in constructing the rowing course in Lake Ruataniwha, presented this trophy in 1987 at the second Championship Regatta held at the venue.

---

### **Horowhenua Rosebowl** - Women's Premier 8+

The members of the Horowhenua Borough Council personally donated this trophy to mark the first National Championship Regatta held on Lake Horowhenua, near Levin, in 1977.

---

### **James Trophy** - Men's Senior 1x

The athletes and supporters from the Central rowing region presented this trophy in 2019 in recognition of the efforts and influence Mark James had on the lives of many rowers and supporters, both within the RPC and in clubs throughout the region during his time as Development Officer for the Central Regional Performance Centre; established to provide training and guidance to rowers who aspire to represent New Zealand on the world stage.

Mark is remembered along with his loyal and constant companion, 'the iconic regatta dog' Dougal James for the support, encouragement and development of young rowers over a number of years, assisting them to achieve their goals. Dougal sadly passed away during the 2017 New Zealand Rowing Championships.

The Men's Senior 1X event epitomises the determination and skill that individuals must have to succeed at sport, and is a fitting event for club scullers who are prepared to show their sportsmanship and excellent racing skills on the water at the New Zealand Rowing Championships. Mark and his son Chris have both previously won this event.

### **Michael Rozijn Memorial Cup** - Men's Senior 2-

Michael Rozijn began rowing in 2004 with Auckland Rowing Club. In 2007 he moved to Cambridge Rowing Club to advance his rowing skills, earning a silver medal in the Senior Pair in 2008. The next year he committed himself again in Cambridge to winning the Senior Pair in 2009, but was again unable to achieve a gold medal.

Michael died in September 2009 from a tragic accident. He left many friends in the sport of rowing and this trophy is donated by them.

---

### **Bob Hampton Memorial Trophy** - Men's Senior 4-

Bob Hampton was a stonemason in Christchurch and his truck was used many a time for transporting the Avon boats to regattas. Bob's involvement started with rowing as a cox in the 1930's for the Canterbury club and later he became a very successful oarsman in the lower grades. After World War II he took up coaching with both the Cure and Canterbury clubs and also coached a Canterbury Provincial eight. This trophy was first presented to the Men's Senior Four at the first National Champs to be held on Lake Ruataniwha in 1985.

---

### **Picton Rowing Club Trophy** - Men's Senior 4x

The Picton Rowing Club Trophy was first presented at the 2021 New Zealand Rowing Championships for the Men's Senior Quadruple Sculls. The Picton Rowing Club was first established in 1884 and is proud to be one of the oldest clubs in NZ. Sitting at the top of the South Island, Picton Harbour has hosted the National Championships a total of 18 times. At the 1897 Nationals regatta, the famous "Boss Rooster" was made and raced for the first time. The club has produced a number of NZ representatives at age group and senior level including 2012 Olympic Champion Joseph Sullivan and this is a huge achievement for this small club. Having won and medaled in the Men's Senior Quad numerous times in the last 15 years, the club decided to present a cup in honour of this.

---

### **Charlie Flanagan Memorial Cup for Men** - Men's Senior 8+

Charlie rowed in the Avon Rowing Club winning Senior Eight in 1971 and coached numerous crews to the same title and many more throughout the 1990s and early 2000s. ## **Eric Verdonk Memorial Cup for Men** - Men's Intermediate 1x

The Eric Verdonk Memorial Cup was donated by the Verdonk Family & NSRC. Eric was a member of the first Westlake Boys High School Rowing eight to win the Maadi Cup, in 1976. He competed for North Shore Rowing Club for nearly 20 years, winning 15 Red Coats in both sculling and rowing. Eric went on to win 7 consecutive New Zealand single sculls national championships between 1987 and 1993 and won six New Zealand double sculls titles 1987-88, 1989-90, 1992 and 1994, with four different partners - Conrad Robertson, George Keys, Andrew Shotter and Richard Newey. Eric also won the National Coxless Pair title with Keith Trask in 1986 and the Quadruple Sculls in 1991.

Internationally Eric competed at 5 world championships, 2 Olympic Games and 2 Commonwealth Championships. He won bronze medals in the single sculls at the 1986 Commonwealth Games, 1988 Olympic Games and 1991 World Championships and finished a close fourth in the single sculls at the 1992 Olympic Games. In 1990 he became the first New Zealander to win the Diamond Challenge Sculls at the Henley Royal Regatta. Eric was awarded the Rowing NZ Legacy Medal in 2020. Eric had a life-long passion for Rowing, competing successfully as a master and in his later years, coaching at Takapuna Grammar School.

## **George F Lindstrom Trophy** - Men's Novice 8+

George F. Lindstrom was a longtime member of the Avon Rowing Club and had always loved to be around the novice rowers being first year oarsman to the sport. He would love to chat with these rowers while telling them some stories of his experiences from the early days when he first started rowing and the successful rowers that had gone on to greater honours to represent NZ at World Championships and the Olympic Games. While George was part of the team in the early days in building the Lake Ruataniwha course, he decided he wanted to donate a Trophy for the Novice Men's Coxed Eight at the National Championships and after his passing, his desire was realised in 1993.

## Hallyburton Johnstone Rose Bowl – Top Association in Eight Oared Boat Events

Awarded to the leading rowing province. *Points are accumulated provincially.*

**DONOR:** Mr Hallyburton Johnstone  
**DATE DONATED:** 1928  
**FIRST CONTESTED AND WHERE:** 1928 on the Korokoro course, Wellington Harbour  
**FIRST WINNER:** Canterbury Rowing Association (F H Brown (str), G Duggan, S P Godfrey, C S Morris, C A Stiles, H G Stiles, W L Whittington, F G Oborn (Bow), A H Eastwood (Cox), H Ayers (Coach).

**PRESENT EVENT:** Points are awarded to local associations in all eight-oared events at the New Zealand Rowing Championships on the basis of a club crew from that local association area gaining 32 points for first, 16 points for second, 8 points for third and 4 points for all other finalists who complete the race. Composite crews, being a crew consisting of members from one local association, shall be eligible for points on the same basis as if they were a club crew.

**OTHER BACKGROUND INFORMATION:** This trophy was presented by Mr Hallyburton Johnstone, an Auckland businessman and Vice-Commodore of St Georges Rowing Club, to the NZRA for competition in the annual Inter-Provincial eight-oared Championship which began in 1928. This competition continued until 1972 and was usually held at Easter time sometimes with the University tournament regatta and on a three mile course. In later years the race was dominated by Auckland and the interest in the event on a provincial basis dwindled. When it became apparent that the competition would not be continued in that form it was decided in 1976 to re-allocate the trophy for competition between the provinces in all the eight-oared events at the New Zealand Championship Regatta.

# 2024 New Zealand Rowing Championships Regatta Conditions

---

## Regatta Notice

### 1. **Regatta Dates and Format:**

This event is a six-day regatta which will commence at 6:30am on Tuesday 13 February 2024 (with racing expected to start at 8:00am) and will continue through to the conclusion of racing on Saturday 17 February 2024, with heats, repechages, and semi-finals as required. Sunday 18 February (until midday) is the official reserve day.

### 2. **Regatta Venue:**

The regatta will be held at the Mighty River Domain, 601 Maungatautari Road, Lake Kara-piro, Cambridge, New Zealand.

### 3. **Regatta Status and Structure:**

This regatta is a Championship Regatta as defined by clause 1.3.a of the New Zealand Rowing Association Incorporated (NZRA) Rules of Racing 2023 (Rules).

### 4. **Generally:**

The regatta will be conducted strictly in accordance with the Rules and applicable Articles of the Constitution of the NZRA.

### 5. **Distance of Races:**

- a. The distance of all races except Para and Showcase races will be 2000m.
- b. The distance of Para races will be 1000m.
- c. The distance of Showcase races will be 1000m, 500m, or 250m depending on the event.

### 6. **Course Description:**

All races except Para and Showcase races will be held on a buoyed nine wire, eight lane, straight course with a held start. Showcase events may be held on nine lanes. The water for all intents and purposes is to be considered as still and without flow.

### 7. **Minimum Number of Entries:**

If, at the close of entries, there is only one entry in any event, the event will be withdrawn from the programme.

### 8. **Qualification System:**

- a. Entries into this regatta are to finals only.
- b. In the case of eight or fewer entries, a preliminary heat will be held.
  - i. Participation in the preliminary heat is optional.
  - ii. Crews that choose to opt out shall do so by advising Regatta Control at least 60 minutes before the race.
  - iii. A crew that opts out of a preliminary heat is considered to have raced for the purposes of Rule 46.8 (substitutions).
  - iv. A crew that has not opted out and fails to start its preliminary race does not qualify for the finals.
  - v. If only one crew remains to contest a preliminary heat it will be given the option between completing a row-over or progressing to the centre lane of the final.
  - vi. As preliminary heats are used for lane allocation for finals, any crew not finishing the preliminary heats (excluding any crew that was Excluded or Disqualified) will be randomly drawn to an outside lane for the final.
- c. In the event where there are more entries than places in the final, a qualification system will be used to determine the finalists. The qualification system will be a modified World Rowing system (based on heat and/or repechage and/or semi-final placings).
- d. Time trials may be used to make up time should the regatta be severely delayed for any reason and cannot be completed using the published progression system.

**9. Maximum Number of Crews per Race:**

- a. Generally, races will be limited to a maximum of eight crews, but in exceptional circumstances as determined by Regatta Control or the Race Committee this may be extended to nine crews.
- b. Showcase events may be raced over nine lanes.
- c. For Premier and Under 22 events, NZRA may extend the B finals up to nine crews or hold more petite finals for small boats if required and possible.

**10. Medals and Trophies:**

- a. Medals will be awarded in accordance with Rule 71 .1 of the Rules.
- b. One medal is available to be presented to the coach of each crew that is awarded a medal.
- c. Showcase events will not receive medals or titles or points towards trophies.
- d. The trophies being competed for are listed in Appendix A.

**11. Pre-Regatta Safety Briefing:**

A pre-regatta safety briefing will be held on Thursday 8th February 2024 at 7:00pm via Zoom. Coaches and participants should refer to Rule 53 of the Rules.

**12. Training when the Lake is Booked by KRI:**

- a. Training is permitted only when supervised by KRI and as advised by KRI.
  - i. Supervised pre-regatta training will be available from 6:00am-11:00am and 2:00pm - 5:00pm on Monday 12 February. This is subject to KRI having enough volunteers to supervise training. Entities may need to provide sufficiently experienced coaches or suitable parents to assist.
  - ii. Training hours on regatta days will be notified at the safety briefing.
- b. Training is not permitted unless the green flag is flying.
- c. Training outside the allowable area of the lake is done entirely at the crew's risk and the Club's Safety Officer is responsible for ensuring MSA and Waikato Regional Council Rules are complied with.

Any crew breaching this condition is deemed to be in violation of the Safety Rules for the purposes of Rule 55 of the Rules.

**13. Approvals:**

## 18. Programme Structure:

  - i. Showcase events will have late entries accepted up until midday Wednesday 14 February 2024.

- b. Each person who submits entries on behalf of an entity entering the regatta must:
  - i. ensure that specified medical information about competitors is submitted to KRI by the closing date and time for the entries;

Each competitor entering this regatta agrees to notify Regatta Control (before the competitor next competes) when they have undergone a medical assessment (other than through the On-site First Aid team) and further agrees to provide the results of the assessment. This ensures that Regatta Control is made aware of all medical assessments.
- c. Clubs will ensure that each competitor that is assessed by either the on-site first aid team or assessed externally to the regatta and who receives an assessment as being unfit to compete is removed from racing by substituting them out of all crews in which they are entered or scratching all crews in which they are entered or through a combination of scratching and substitution.

Race Officials (or other persons so appointed by the Organising Committee) will conduct boat safety compliance checks and all boats that pass the compliance check will have a sticker attached to the bow of the boat. Boats not displaying a sticker will not be permitted to take to the water.

#### 43. Postponement or Cancellation:

KRI will be under no obligation to refund any fees whatsoever because of the postponement or cancellation of the regatta for whatsoever reason. Rowing is an outdoor sport and as such is subject to the weather being suitable on any given day to conduct the regatta in a safe and responsible manner.

- c. Permission to use quotes from interviews (or excerpts of such quotes), either film, photographs and/or video recording of them in electronic media (including KRI or Rowing NZ's website and social media websites).

This permission is given for the purpose of KRI and Rowing NZ promoting public awareness of and publicising their activities and achievements.

Footage and photos from the regatta will be shared with New Zealand media. By attending the regatta attendees are giving permission for Rowing NZ to pass on photos and footage captured that may include the attendee so the event can be covered/promoted.

#### **51. Biosecurity Hazard:**

Lake Karāpiro contains Freshwater Golden Clams, which are a Biosecurity Hazard. All boats and oars must be washed in compliance with the MPI "Check, Clean, Dry" requirements when leaving the Complex. Facilities are available in the boat park, and you are expected to use them. Failure to do so places you in breach of the Biosecurity Act and liable for prosecution.

#### **52. Exclusion of all Tort Liability of Whatsoever Nature:**

All due care will be taken by KRI and the regatta officials to ensure the regatta is conducted safely and efficiently in accordance with the Rules. However, it remains the prime and principal responsibility of individuals participating in the regatta (including competitors, coaches, supporters, volunteers, and other entity officials) to conduct themselves in a safe and responsible manner at all times. This includes making sure prior to racing that their boats are safe for racing and generally in compliance with these conditions and that the rowers in each crew are fit for the ordeal of racing. They must also ensure that these conditions are complied with and that the directions of the regatta officials are followed.

Further, it is a condition of participation in this regatta that all participants accept and note that no liability either in tort or any other nature whatsoever, is accepted by or will attach to the NZRA or KRI for any harm, damage, loss, costs, expenses, inconvenience, interference, of whatever nature and whatever kind, including any damage to equipment or injury to persons of whatever nature incurred in the course of, or in connection with, or in any way related to the regatta, regardless of whether any omission, wrongdoing, oversight, negligence, or other tort whatsoever on the part of any regatta official, or other person may be established.

# Appendix B: Premier Eights and Quads "Draft" System

## Pre-Event

- Nominations for the Premier 4x- and Premier 8+ Draft open at 5:00pm on Monday 29 January 2024.
- Nominations close at 5:00pm on Wednesday 7 February 2024.
- Eligible rowers must be Senior grade and above.
- Nonresident competitors are only eligible if they satisfy the criteria set out in Rule 16 of the Rules of Racing 2023 (Rules).
- Summer Squad members will only be eligible for the Draft and not for Club crews.
- Six Premier 4x- and three Premier 8+ crews are to be selected by the Team Captains.
- Current 2km and 5km erg scores and a profile photo will be collected. If choosing sweep, then side/both preferences are also collected. This is used both for selections and the announcement at the Draft announcement function.
- Competitors can put themselves forward for one or both Draft events. The Premier 4x is in Block 5 and the Premier 8+ is in Block 6. However, these races have been moved to be slightly later to enable rowers to do both a Senior event and the Draft if they so choose.
- Coxswains who wish to nominate will also be asked to complete a nomination form.
- Empty lanes can be filled by other entries into these events. If there are more than eight entries in total, progression will be run for the non-Draft crews during the week.
- Rowing New Zealand will arrange the boats for the Draft crews with the support of Clubs.
- Rowers can enter more than one race in Blocks 5 and 6. However, rowers cannot enter the same event twice, so will need to choose between entering the Draft or a non-Draft entry in each eight/quad event.

## The Draft Crew Selection

- The first six rowers across the line in the Premier 1x heats that have nominated for the Draft will be Team Captains for the Premier 4x Draft crews; i.e., if there is one heat, top six; if two heats, then three from each, etc.
- The first three rowers across the line in the Premier 2- heats that have nominated for the Draft will be Team Captains for the Premier 8+ Draft crews.
- If athletes have nominated for the Draft, they must be Team Captains. If they choose to drop out from the Draft, they cannot be selected by other Captains and the next fastest becomes a Team Captain.
- Crew selection occurs on Tuesday 13 February in a selection meeting with the Team Captains. The 8+ crew selection meeting will be held at 5:30pm and the 4x- selection meeting will be held at 6:15pm. These meetings will be held in the Rowing NZ Boardroom.
- The Team Captains will be provided with a list of all the Draft entrants with the information they have provided on the entry form.
- The Team Captains will select nominated athletes one at a time in the order of 1, 2, 3, 3, 2, 1, etc. This will alternate between men and women to cover coxswain selection.

## Draft Announcement

- The Draft announcement will be held in the Karāpiro Room, Sir Don Rowlands Centre, Lake Karāpiro at 6:00pm on Wednesday 14 February.
- The athlete profiles will be displayed, and the crews assembled at the event and these will be released online.

## Further information

- If a rower withdraws from a Draft crew after they have been selected, that person must inform Kate Adams from Rowing New Zealand in the first instance, who in turn will inform the Team Captain and work with that Captain to select a suitable replacement.
