

NEW ZEALAND ROWING FOUNDATION

The New Zealand Rowing Foundation needs your help!

In the last year substantial changes have been made to the Foundation to ensure it is as well prepared as possible to provide the support essential to the further development of Rowing in New Zealand.

A new constitution is in place reflecting changes in legislation as well as the reality of today's financial affairs. The Foundation will share a closer alignment with Rowing NZ and the wider rowing family. While still a registered charity with all the benefits that brings, we are hopeful greater financial support can be given, as well as better recognising the wishes of donors.

A significant hurdle has been lifted with the gifting of the underwriting loan of \$320,000 to Rowing NZ for the successful hosting of the 2010 World Rowing Championships at Lake Karapiro. This will allow the Foundation to move forward, funding towards our Junior team in Rotterdam last year is a practical reflection of this.

Many of our supporters have already rallied to the further advancement of New Zealand Rowing, the list of Elite donors reflects this, we ask that you too share in the

many benefits of Foundation membership at a level you feel comfortable with.

Your help is needed to lift the New Zealand Rowing Foundation to a new level. Please consider a contribution.

Thank you to everyone who has made a donation, and a special thanks to our Elite donors:-
