

Order of Championship and Showcase Events

Notes:

- One entry per person per block.
- No provision in racing schedule will be made to accommodate entries in Championship Blocks that might be too close to Showcase events, so entries in Championship events should take priority when planning. Showcase events have been introduced to increase event participation from the wider rowing community and spectators.
- Exact times of racing will be released with the daysheet (as it is subject to the number of entries and subsequent B Finals which are raced before A Finals), but the below are indicative times for the start of blocks. Time between races will be 4 or 5 minutes.
- Early rounds of racing will also follow the same block format. The draft Schedule for Championships events is as follows:

Tuesday - Heats (Block 1,2,3,5,6)	Wednesday - Heats (Block 4), Repechages (Block 1,2,3,5,6)	
Thursday - Semi Finals	Friday - Finals (Block 1,2,3) & Showcase	Saturday - Final (Block 4,5,6) & Showcase
- All B Finals for the block will be raced first and then all A Finals will be held (e.g. B, B, B, A, A, A). All Medal Ceremonies for Championship Block Events take place at the conclusion of that blocks racing (as Showcase events are being raced). Showcase events will not receive medals.
- Showcase event entry does not require a RNZ License. There is no entry fee for showcase events in 2021. Entries will be possible through RowIT (at the same time as Championship events closure 2nd Feb) or can also be done at the regatta via the secretaries office (this allows entries should you bump into a old school mate at the lake, or a rowers brother wants to take part etc). Final closure of entries to showcase events will be 12pm on Thursday 18th February (unless spaces are filled prior).
- Premier eights and quads will be determined by the new draft system only. Nominations are open to Premier, Rpc and Senior athletes only. Nominations to participate in these events are accepted through the RNZ website and must be completed by 10pm 2nd February 2021. The draft selection will be conducted by the selected team captains in a closed meeting (captains established through the winners of Premier singles and pairs heats). The subsequent crews will be announced on Wednesday 17th February and via RNZ communication platforms.

Definitions

- Mixed: Crews made up of an equal number of both genders (e.g. Mixed 8+ = 4 Males and 4 Females)
- Co-Ed: Crews made up of any gender split (e.g Siblings Sculls = 2 brothers or 1 brother/1 sister, or 2 sisters)
