

## University Rowing Support Person Contribution

This is a contribution to your club support person that was established due to the need to assist those people who are committing to University Rowing/Boat Clubs by supporting crews to compete at the NZ University Rowing Championships.

The primary purpose of this support is to assist with covering a support person's time spent doing the administration required.

This person should be used to complete administration, entries, uniform etc. for your university.

They should also be the appointed team manager for regatta officials to contact on regatta day if they need to.

### Criteria and Guidelines

University Rowing/Boat Clubs are only able to receive one contribution per year.

Each contribution is valued up to \$1000.

**Payment will be made based on the number of rowers you have travelling to the regatta:**

- up to 10 athletes - \$300
- 11-20 athletes - \$500
- 21-40 athletes - \$750
- 40+ - \$1000

**Applications must be made on the official form and emailed to [kate@rowingnz.kiwi](mailto:kate@rowingnz.kiwi) by 5pm, 12 April 2024.**
